Albany Strollers & Rollers
Attn: Harry Chomsky, Treasurer
1127 Curtis Street
Albany, CA 94706

October 21, 2015

Dear Albany Strollers & Rollers:

The Grizzly Peak Cyclists is very pleased to send you the enclosed check for \$1,500 in support of your mission and programs. It is our donation to you for fiscal year 2015. If appropriate, please apply a portion of it to keep our membership with you in good standing for the coming year.

The funds are raised from our annual Grizzly Peak Century which is held the first Sunday every May. Every year we make donations from our Century proceeds to organizations which promote or help bicycling in some way — be it advocacy, safety, education, awareness, youth cycling, or the bicycling environment. More information about the GPC donations program is on our web site at <https://www.grizz.org/members/donations.php>.

Please let us know whether you find this donation helpful and whether you would benefit from a similar donation next year. The best way to communicate with us about this is via e-mail (not paper mail) addressed to both DonationsChair@grizz.org and your GPC liaison, Sherie Reineman, at bikedive@mac.com.

In order to save paper and its associated costs, we request that you send no paper mail and remove us from any paper mailing list that you may have.

Our members greatly appreciate all the work you do.

Sincerely,

Sherie Reineman
President, GPC
